

Press Release

November 26, 2010 Katy, Texas

As part of their continued involvement with recreational soccer, Albion Hurricanes Football Club (AHFC) is pleased to announce the donation of \$10,000 dollars to Katy Youth Soccer Club (KYSC) for field improvements and park infrastructure. AHFC is the competitive branch of KYSC and they lease fields at Katy Park.

In addition to this financial contribution, AHFC offers skills training to KYSC players throughout the year on Friday nights. AHFC Boys and Girls directors; Brian Haynes and Ivan Ruddle also offer coaching sessions for U8 during the week as part of our community outreach program.

“Our relationship with KYSC is one of the major cornerstones of AHFC’s success. Anytime we can give back to the recreational program and help promote the game of soccer we are thrilled to help.” said Player Development Director Dylan Glad.
